The Juice S2 is definitely cutting edge. Its distinctive burnt-orange anodized aluminum handles are contoured for comfort. Like the entire Juice line, the S2 comes with pliers, wire cutters, and four screwdrivers. With the same slender chassis as the C2, the S2 features specially serrated scissors, along with a can and bottle opener. A lanyard attachment allows the S2 to be easily affixed to your backpack, snow pants, or key ring. Like all genuine Leatherman tools, the Juice S2 is covered by Leatherman's 25-year warranty.
